YOU MAKE A DIFFERENCE AT McCLURE

Research shows when families are involved in their children's education, their children do better in school. Part of what makes McClure a successful school is our tremendous amount of family involvement. There are many ways to volunteer at McClure. Whether it be a family event, school support, or helping a child learn, everyone has a strength or skill they can contribute.

Please take a moment to review the opportunities available and indicate your areas of interest. Thank you!
