

Golden Gardens Beach Day Picnic

Thursday, June 22, 2017

9:30-1:00 pm

We have reserved the beautiful Golden Gardens bathhouse for a day of food and fun! This historic building was built in the 1930's and completely renovated in 2004. This large building opening onto the beach will be the center of our celebration providing cover from whatever weather June brings us. Students will be free to play on the beach, sign yearbooks and participate in team games.

Students and staff will leave McClure by school bus at 9:30am and return to the school at 1:00pm.

No outside beverages are allowed!! Plenty of food and beverages will be provided.

No swimming allowed!! The beach is not a safe and designated swimming beach.

No swimsuits. School dress code applies.

Students may bring music and players to listen to but retain full responsibility for any loss or damage.

This event will be fun with a seemingly endless supply of activities and food.

******* ALL SCHOOL RULES AND DRESS CODE APPLY TO THIS EVENT*******

Safety for everyone is our paramount concern. Students will be informed of the rules and expectations for behavior and dress code prior to leaving. There will be a designated boundary for the event and no student will be permitted to go outside that boundary. Failure to follow all stated rules will result in immediate return to McClure for that student.

We need a lot of help to make this event go smoothly and safely. Please fill out and return the enclosed volunteer form to the main office or email Frances Goldberg at: francesgoldberg@me.com.
