

McClure Middle School's M.O.S.T. Program Registration Form

2017-18 SESSION 2: February 26th – May 24th

Step 1. Student Information

Student First Name:	
Student Last Name:	
STUDENT ID#	
Male/Female:	
Grade:	
Birth Date:	
Current Address:	

Step 2. Parent, Guardian and Emergency Contact Information

Parent First Name:	
Parent Last Name:	
Relationship to student:	
Home Phone:	
Work Phone:	
Cell Phone:	
Email Address:	
Emergency Contact:	Name: _____ Phone: _____

Step 3. Transportation Requests

How will your child need to get home? ___ WALK ___ ACTIVITY BUS ___ METRO ___ PARENT PICK-UP

Students who require an Activity Bus home can ride Monday through Thursday as part of the MOST program **ONLY**. Activity bus assignments are **NOT** guaranteed. Assignments are issued by the district according to location and the number of students assigned in your area. **Please do not have your student stay after school for any MOST program until you receive a notice from First Student** that your student has been placed on a bus or you have an alternative means of transportation. The bus is scheduled to depart 10 minutes after program is over.

Activity Bus Drop-Off Address (if different then above address):

Step 4. Parent Signature

I hereby give my consent for (student name) _____ to participate in McClure Middle School's MOST/CLC Programs being cosponsored by the Seattle Public Schools and the Seattle Department of Parks and Recreation. I will not hold the City of Seattle, the Department of Parks and Recreation, the Department employees, the Seattle School District and employees, or any other volunteer or staff associated with the above listed program responsible for any injuries, damage, or personal loss incurred while participating in the OST/CLC activities. I give permission to the Seattle School District and/or the City of Seattle to use photographs or the name of my student in its public displays or media releases. I understand that these photographs will not be sold or used for commercial purposes. I have discussed appropriate behavior with my child and I understand that my child must follow all school rules while in the program, as well as on the bus, or he/she will face discipline under normal school policy. STUDENTS WILL NOT BE ALLOWED TO LEAVE SCHOOL GROUNDS AND RETURN TO TAKE THE BUS FOR ANY REASON. OST/CLC IS AN ADULT SUPERVISED PROGRAM.

Parent/Guardian Signature

Date

Please contact me in regards to providing a scholarship for a student to participate in MOST:

YES NO

Thursday 3:55pm – 5:15pm

___ Homework Club (Free) - Students should bring work/assignments daily

___ Gamers Club (\$60)

___ Bridge (Free)

Friday

___ No MOST activities on Fridays

CLASS DESCRIPTIONS

Bridge Club, Mr. John Weinberg, Ms. Ann Romeo

Once a week, students will meet to socialize, have fun, enjoy a snack, and learn the game of bridge! At the end of the session (once students have learned the game), the McClure Bridge Team will have an opportunity to compete in a tournament with several other SPS Middle Schools to see who can win the coveted NextGenBridge trophy to be shown off at their school. The game of bridge knows no geographic or socio-economic boundaries. There are no age or gender concerns. No physical or intellectual requirements. Any child can learn and enjoy the game of bridge!

Coding With Kids, Mr. Joseph Scicchitano

Would you like to build your own computer programs? Do you know coding basics and want to learn a new language? Take your programming to the next level with our Python class! Python is a very versatile programming language that is widely used in the professional world. Open to students of all levels, this class will teach you Python coding from the basic syntax to more complex concepts, such as object-oriented development. Throughout the class, you will build a variety of projects including games, such as tic-tac-toe or space invaders.

Creative Club, Ms. Pattison

Hello Creatives!! Interested in making your own clothes and fashions? Come collaborate with fellow textile artists in Ms. Pattison's Creative Club. We will be learning the art of sewing, knitting, crochet, and embroidery! Anyone interested is encouraged to join in on the fun. Whether you have no experience or have created garments before, all skill levels are welcome. Supplies will be provided, though you are welcome to bring your existing favorite craft tools! Most importantly: bring all of your creative magic! See you there!

Gamers Club, Ms. Whisenhunt:

Attention anyone who loves to play strategy games! Gamer Club will feature competitive and cooperative table top gaming (both card games and board games--NOT video games). We will use our strategy, logic, and math skills in a fun and energetic environment. Club members will be expected to maintain positive sportsmanship, teamwork, and respect towards their club mates. We will end the session with a game tournament and prizes! Pros and beginners welcome! Game examples: Settlers of Catan, Citadels, Dominion, Magic the Gathering, Chess, Bridge, and many, many more! Club members are welcome to bring their own games too!

Homework Club

This program is designed to give students access to the school's technology in a quiet space to work on homework, projects, or do research. This is **not** a tutoring service. Instead, there will be staff who can give tips and tricks to assist in students' completion of assignments as well as how they can keep organized. Student's responsibilities in HWC are bringing their work/assignments with them and being productive **at all times**, even when homework is completed. There are limited spots in the computer lab so there is a strict attendance and behavior policy.

Pottery, Ms. Jane Meagher

Students will learn the basic skills needed to construct fired clay art projects. We will start with hand building, progress to wheel throwing and then glazing. Students will complete a series of loosely structured projects as well as execute appropriate ideas of their own choosing.

Sounders Science of Soccer, Mr. Rashaan Wright

This program focuses on incorporating STEM (Science, Technology, Engineering, Math) with soccer through a series of fun games and drills. Students will practice basic soccer skills and techniques while being engaged in STEM. The goal of the program is to have students complete the program with a higher engagement in STEM-related subjects. Participants will have an opportunity to attend a Sounders game and be recognized by the Sounders organization for their participation in the program.

REGISTRATION DIRECTIONS

Full payment needs to be included with the completed registration form and Seattle Parks and Recreation 2017 Participant Information and Authorization Form. Incomplete forms may delay registration. Forms may be put in Doug Berndt's (CLC Coordinator) mailbox in the main office or mailed to the school 1915 1st Ave. W. Seattle, WA 98119 marked attention CLC. **Checks need to be made payable to City of Seattle.**

Please note: Registrations are on a first come, first served basis.

If you feel you are unable to pay the fee associated with any classes your student would like to participate in, please contact Mr. Berndt.

REFUND POLICY

A full refund will be issued for any program or activity that is cancelled for any reason by the Community Learning Center. Any person who registers for a program and who requests a refund before the second class may receive a prorated refund minus a service charge. The Community Learning Center will retain the pro-rated program fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater. Any person who registers for a program and who requests a refund 14 days or more before its start, may receive a refund minus a service charge. If a participant withdraws from a program after the second session of a program, no refund will be given.
